

VILLAGE OF MORRISVILLE
Application for
SEWER USE/SEWER CONNECTION/SEWER CAPACITY ALLOCATION

Application No. _____
Date Received: _____
Received by: _____

1. Type of application

To the Village of Morrisville:

The undersigned, being the Owner of the property located at:

(911 Number) (Street)

does hereby request a permit for sewer use to serve the:

(Residence, apt., commercial bldg., industrial facility, etc.)

at said location. Sewer use is for (check the appropriate boxes)

- Renewal of an existing permit.
- Expansion/Change of use of an existing connection.
- A new building connection.
- Other.
- Public Sewer Extension. *Note: A separate Agreement detailing cost, ownership, construction requirements, etc. is required for any and all extensions to the Morrisville Sewer System prior to construction.*

2. Estimate of Requested Wastewater Flow:

a. Residential Use:

Number of living units for each type:

- Single Family Homes: _____
- Mobile Homes: _____
- Individual Apartment Units: _____
- Townhouse/Condominium Units: _____
- Total Units: _____

The current Vermont Water Supply Rules allow the use of the following calculation for residential units:

Residential: (Total Units) _____ x 210 gpd per unit = _____ gpd
Flows above 1,000 gpd shall be certified by a VT Professional Engineer.

b. Non-Residential Use:

Describe type of Connection.

Estimate of Wastewater Flow:

Use the current Design Flow requirement of the Vermont Water Supply Rules to calculate the requested Wastewater Flow. Calculation can include the 20% reduced flow for WWTFs above 50,000 gpd.

Design Flow Calculation:

Total = _____ gpd

Flows above 1,000 gpd or have waste strength above residential use shall be certified by a VT Professional Engineer.

Will the strength of the wastewater be typical domestic wastewater?

_____ Yes

_____ No

Engineer's Certification :

I certify that the above flows are in conformance with the current version of the Vermont Environmental Protection Rules, Chapter 1, and the strength of wastewater is correct.

Engineering Company, Printed: _____

Engineer's Name, Printed: _____

Engineer's Signature: _____

Engineer's Vermont P.E. License No.: _____

Date of Expiration: _____
